

Refer a friend program

We are always on the lookout for good candidates; therefore, your friend and colleague referrals are very important to us. Referrals are a great way to assist your network in their job search, and are something we like to show our thanks for.

To refer a friend, candidate or associate to be contacted for a placement you have, please complete the online form.

Refer them and if they are successful, you will get a Reward of € 150.- in per recommendation*

The candidate will normally follow all the interview steps and if successfully hired you will get your reward after 2 months of their permanence in the company.

* There is no limit to the numbers of candidates you can refer - we are happy for you to keep recommending as many applicants as you like.

One Reward applies per referral.

All referrals must be submitted through the online referral form on our website in order to be eligible for the Reward, subject to successful placement.

The 'refer a friend' program is subjected to our terms and conditions. (See below)

If the referral leads to a placement, you will be advised by one of our team.

By simply completing the form, you could be doing someone you know, as well as your wallet, a big favor.

If you have any question about it, feel free to send us a message.
